Re: Equitable Distribution Program (EDP)

Dear Ms. Reyes:

The Small Business Development (SBD) Division of Miami Dade County's Internal Services Department is pleased to inform you that your firm's Equitable Distribution Program (EDP) application has been **approved**. Effective October 23, 2015, Electrical Design Associates, Inc. will be placed in the EDP rotation pool in all applicable technical certification categories. Attached is a report indicating your firm's current technical certification(s).

Please note that EDP firms are automatically inactivated from the program if its Technical Certifications and/or any part of its Pre-Qualification Certification (PQC) approval lapses. I encourage you to maintain your PQC in active status to ensure there is no interruption in your firm's eligibility to participate.

Thank you for your interest in the Equitable Distribution Program. I look forward to your continued participation.

Should you have any questions, please contact Elizabeth Zabowski, EDP Program Coordinator, at (305) 375-2824 or biba@miamidade.gov.

Sincerely,

Gary Hartfield, Director
Small Business Development
